

STANDARDS & BENCHMARKS

FALL 2024

OUTDOOR CLASSROOM

We are nuts about the nuts of New Mexico & Texas! This year's outdoor classroom lesson will focus on the four main nut crops of our states, how they are grown, their many uses & much more.

New This Year!

WALKING LESSON

Learn all about pecans in this *walking* lesson through our Pecan Orchard. The parts of the pecan tree, its life cycle, and pecan facts will be covered.
